

**EXECUTIVE COMMITTEE MEMBER - ROLES & RESPONSIBILITIES**

As per the society's statutes, the Executive Committee is the governing body of ISE and is accountable to the membership. The Executive Committee sets the vision, mission & strategic priorities. It provides oversight and decision-making related to strategic direction, planning and policies that outline the organization's purpose, values, and structure.

ISE Executive Committee members are expected to be leaders in their field and benefit from a large international network and reputation. They will have an international outlook and a strong sense of diplomacy.

Members will be expected to be ISE ambassadors and promoters for their region and play active roles in permanent and/or ad-hoc Working Group(s) and make occasional trips in support of the society's strategy.

Each representative is required to attend a face-to-face Executive Committee Meeting held annually at the US Endocrine Society Annual Meeting (ENDO). In addition, teleconferences will be held on a three-monthly basis where the major advancements of the strategic plan will be presented and strategic decisions to be taken will be discussed and voted.

The Executive Committee members will be required to periodically vote or provide feedback electronically on business matters raised by the SLT/Executive Office in a timely manner.

<b>DURATION OF SERVICE</b>	4 years (to include two ICE meetings)		
<b>ELECTION PROCESS</b>	Member Societies eligible to nominate members to serve on the Executive Committee will be notified at least 3 months (90 days) before the Annual Executive Committee Meeting. Elected officers shall assume their duties and responsibilities at the conclusion of the following General Council meeting.
